

# TAG RUGBY

Well done to our Tag rugby team who took part in the local schools rugby tournament at Corbet school. It was a good effort from our team against some stiff competition. Well done especially to Harry for making a spectacular try in the dying seconds of one of the games. After all the exciting games we eventually finished in final place.

# High Five

Well done to our super high five team who competed against local schools at Corbet school on October 23rd. Seven teams took part in the tournament. After many exhilarating matches and some terrific goals our girls finally finished 4th in the tournament. Well done!

# Cheerleading

We received some expert cheerleading coaching from Chris. He helped dispel the myth of cheerleading being a sport only for girls by telling us about competitions he has taken part in all over the world, as part of the English team. He helped us perform some very tricky moves and shapes and we even managed to work in teams to perform some rather daring lifts. Thank you to Chris for providing such energetic and enthusiastic sessions.

# Sportsability

A big well done today to our children who took part in the Sportsability event at the Sports Village. 12 schools took part in four sports: Curling, Archery, Boccia and Golf. Rhys and Brooke won the archery and our team won the golf competition overall.

The children showed all the qualities of a good sportsman: determination, honesty, respect, passion, teamwork and self belief.

Fabulous team work!

# Sportshall athletics

A big well done to all the children who represented our school in the Sportshall athletics competition tonight. There were over 100 children taking part in the tournament from 9 local schools. The children had several different track events to complete as well as field events ranging from throwing javelins and balls to jumping and speed bounce.

After an hour of high energy and sporting fun, our girls team finished in 6th place and our boys in fourth.

Well done to both teams. Thank you to all parents for transporting and supporting, with special thanks to Mr. Avery for being team manager with Mrs Morgan.

# Cross Country

Well done to our marvellous runners who have taken part in the cross country at Corbet school over the last 4 weeks. This year we were lucky enough to have runners in most age and gender categories. It has been gruelling at times, cold, raining and muddy but it wouldn't be Cross Country if it wasn't! All our runners have run phenomenally well over the last few weeks. They have all run their hearts out for our school and showed great resilience and courage. Well done especially to Hallie, who turned up to all 4 cross country meetings. Great resilience!

Special congratulations go to Callum M who finished in 4th overall for Y6 BOYS (when the races were averaged out.) He will go through to the North Shropshire finals in the New year (details will follow next term.) Sam and Callum B are both on the reserve list for their age groups.

Well done to all our runners and a big thank you to all the parents for taking and supporting the children. Marvellous teamwork!

Well done to Callum in Y6 for reaching the North Shropshire cross country finals. He was our only qualifier for this round of the competition this year.

After running a gruelling, cold and muddy course at Oswestry school, against stiff opposition, he finally finished around 20<sup>th</sup> in a 40+ strong pack.

Congratulations Callum and thank you for representing our school so impeccably.

# Kurling

A big well done to the y6 girls who represented our school in the New Age Kurling tournament at Corbet school. They played fantastically, getting more confident as they progressed through the tournament, winning 2 matches and losing 2. They didn't win but they were a super enthusiastic team who showed great sportsmanship and consideration for others. We had a great time and it was a pleasure to accompany you.

Thank you girls!

# Dodgeball

Well done to our super dodgeball team who competed against local schools at Corbet school. We were drawn in group 1 playing 3 other schools (Kinnerley, Nesscliffe and St, John's). All the children played very well in some fast paced games and endured some quick, painful balls firing at them.

Initially, we lost our first match against Kinnerley, but won our next two which put us top of our group. In the semi- finals we faced Bicton, who we beat 3-0. We then met Kinnerley once again in the final. This time we successfully beat them, winning the tournament!

The team will now play other teams from around North Shropshire in the next round of the competition. Well done to all, we are very proud of you!

# Gymnastics

Katy and Molly from Border County Gymnastics are teaching the whole school gymnastics this term. We always start with a warm up (which the children now lead) before concentrating on a certain element in gymnastics. We have really improved our balance and performance as well as learning and perfecting new skills and techniques.

Thank you Katy and Molly for our fabulous lessons.

Warming up
